## Palmako garden house Andrea B with annex

€ 13,529.00

The Andrea B garden shed with an additional extension of 8.6 m<sup>2</sup> combines style and functionality in a compact design. The total 25.7 m<sup>2</sup> provides generous space for multiple uses. Sliding glass doors create light and connect the interior and exterior. Whether an extended retreat, a home office or a garden tool warehouse, Andrea B adapts flexibly to your needs. The kit allows for easy self-assembly for quick installation. With Andrea B, treat yourself to an elegant and expansive outdoor retreat.

## Product details for the Andrea B garden house with annex:

Storm bars provide additional stability (wind protection)

Impregnated foundation timbers protect the garden shed from bad weather

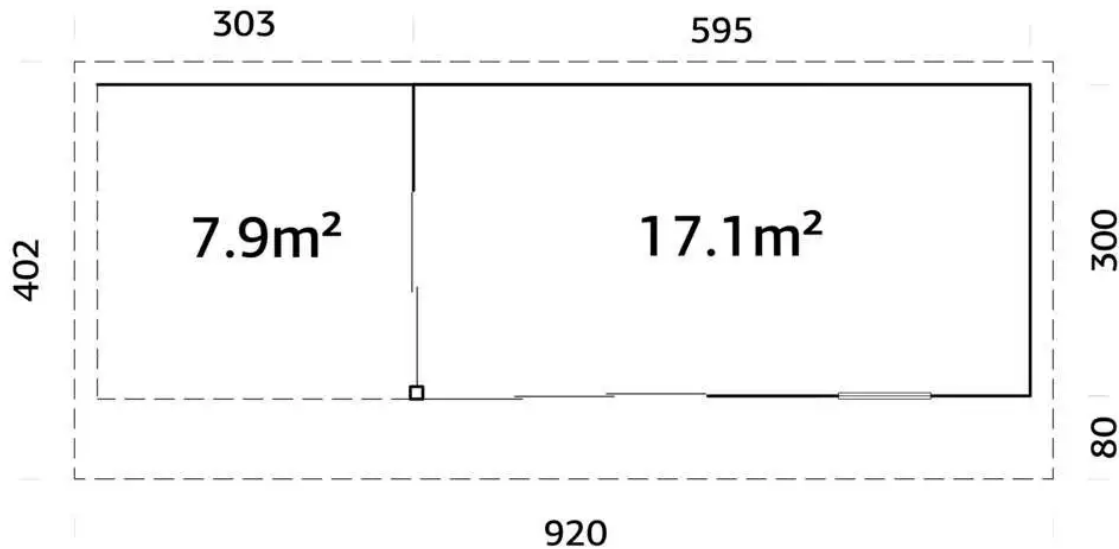

44 mm thick planks with special corner assembly (chalet cut) for wind and rain-proof wall corners

19mm thick tongue and groove profiled solid wood roof and floor boards

laminated wood door frame; low door sill covered in stainless steel

Nordic spruce wood is particularly durable and resistant thanks to its robust solid wood construction

5 years manufacturer's warranty.
